## Location

Most helper accommodations are located near the Health Center grounds or at the KinderVilla in Momella. Only Pamoja room 1 and Pamoja room 2 are located at the Maasai area Ngabobo (45 min ride by car away from Momella).

## Equipment

In all helper accommodations there is a kitchen with a basic set of dishes and a gas stove (bottled gas), a toilet and a shower with cold water. For hygienic reasons, take bathing shoes with you. Please bring your own cosmetics or toiletries (soap etc. can be bought in small shops). For skin intolerances, it is recommended to take a hand wash. There are plastic tubs and bowls to do the laundry. Above the beds there are mosquito nets. You will receive towels and bed linen from us. These are washed by our employee Anna. Your own clothes can either be washed for an extra charge by Anna or you can do the hand washing yourself.

## Local Taxes

Since 2018, AAA have to pay \$1 **“local taxes”** per volunteer per day to the village office. This amount is used for the development of the village.

## Payment

Please pay the accommodation & transfer costs right at the beginning of your stay with Naki at our office in Tanzania. This way you do not have to keep any cash with you during your stay. You can pay all costs that are related to our project with Dollars, Euros and Tanzanian Shillings. Naki will issue an invoice for this. The easiest way for us is if you pay it in cash at the project. It is also possible to transfer the money, but a fee of 5 percent will be charged.

Please note that we highly advise not to have any valuables or cash money in your room. You can put your passport and cash money in our office at your arrival.

## Fields of application:

We are looking for experienced, motivated, committed and skillful volunteers with professional expertise, career and life experience, who are willing to share their knowledge with our local team and can provide support for the following areas:

- **Hospital ward (doctors, midwives, physiotherapists, nurses)**
- **Primary & secondary school (teachers)**
- **Fundi-Center (vocational school for bricklayers, mechanics, carpenters)**

# AFRICA, I BELIEVE IN YOU

## Do you have skills in another area? No problem!

We would also like to enable people without a relevant, subject-specific education to do a voluntary service with us and are looking forward to your support.

### Areas

Volunteer work is also possible in the following areas: KinderVilla, jewelry and sewing, management, implementation of organizational structures and project submissions, IT, tourism (Africa Amini Maasai Lodge) and permaculture.

### 500€? contribution to costs

A one-off contribution of 500€ is to be paid for the additional organizational and financial expenses. This amount is considered a donation and is tax deductible.

Donations to Africa Amini Alama are tax deductible in Austria, Germany, Switzerland and the USA. You can find more details on our homepage.

### Why is cost contribution necessary?

A high-quality volunteering assignment requires professional preparation, support and follow-up. In addition to the direct costs of the volunteer work, there are also personnel and material costs in Austria and Tanzania, which are covered by a contribution of 500€. The duration of the assignment is not relevant, as the costs remain the same for us as an organization for an assignment lasting up to 3 months.

Please make the one-time bank transfer to our AAA donation account (account details see below) Subject:

## Average Cost of a Volunteer

This should only be seen as an example!

There is the possibility to apply for funding for his volunteer assignment and also to build up his own private support group. Africa Amini Alama cannot provide support due to the lack of financial and time resources.
